**WITH LOVE
FOR KIDS**

Project: „Palms of Joy“

For hearing impaired teenagers, orphan children and children from problem families.

25-30 teenagers of age 12 and older.

Implementation period: January – August, 2015.

Goal – To show them the significance of their lives through the education and training, to draw attention of the speaking society to the hearing impaired people, to share the warmth of human fellowship.

How we gather the target group: We start with kids that are available and invite during weekends and holidays kids from Zhdanovich educational orphanage, schools 13, 14 of Minsk, if possible – also from Bobruysk and Pinsk.

Methods: workshop sessions, fellowship, table-top games, camps.

1. Cooking school
2. Pastry and confectionery school
3. Training sessions: “Skills of fellowshiping with this world”, “Offences and forgiveness”, “Friendship”, “What to do in the Internet?”, “My goal”

Needs:

1. Improvement of play space;
2. Remodeling and improvement of the large living room.

Implementation of the project started two months ago.

Hearing impaired children come to visit us every Saturday.

We prepare for them tasty dinner.

We celebrate birthdays together.

We play interesting games and just have fun.

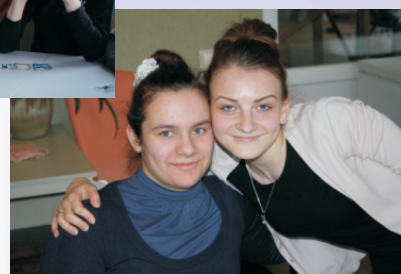

**Volunteers from the
Warm House help us.**

Children are happy that they have many friends and their parents are glad.

**We all are waiting with anticipation the completion
of remodeling works in the meeting hall so that we
could invite even more kids.**
